

Fundraising With Ferngrove Wines

Ferngrove Wines can help you raise money for your organisation by offering high quality wines to your supporters at discounted prices - with \$20.00 per six pack sold (\$40.00 a dozen) being passed back to your organisation as a donation.

A Wine fundraiser is perfect for:

- *Schools.
- *Sporting clubs.
- *Charities and disaster relief projects.

It is very straightforward with little effort on your part - all the work is done by us.

We create an online form just for your fundraiser, which you can share with your supporters to order online.

We offer free delivery at the end of the promotion for one bulk delivery to one drop off point - it can be the organiser's garage or place of business. Alternatively, we can also offer delivery door to door at \$10/6 pack.

During the promotion (which we usually run for 4 weeks) we will keep you updated on sales and will provide you a spreadsheet of all purchases. We will then donate back \$20.00 for every six pack sold.

This is a great opportunity to buy quality wine, which normally retails for \$20.00 at a discounted price of \$12.50. We all have friends who love a good wine at a great price so it is an easy sell!

This range is designed to be enjoyed upon release and is attractive when young. The wines are modern, bright, aromatic and balanced with all the freshness you come to expect from Western Australia.

Sparkling Cuvee
